

D09C08A

Alisso is the name of an endemic species of flora that can be found on the Island of Sardinia. This design finds its inspiration in nature and especially in those textures and unexpected patterns formed by clusters of flowers in a field. Woven employing a traditional Sardinian weaving technique, the Alisso rug is handmade with a blend of the finest Italian wools and organic alpaca imported from the Andes, Peru.

Product specifications:

Weft material: 70% Alpaca, 30% Wool
