

ALFI CHAIR

By Jasper Morrison, 2015

Alfi is a family of chairs and stools with seats made from 100% recycled materials, combined with a base in sustainably sourced solid ash. Engineered for comfort and strength, Alfi's simple shape makes it a natural addition to any setting, from hospitality and corporate settings to higher education and private homes.

Features:

-  Made from recycled wood polypropylene
-  Carbon footprint declared
-  Made in USA
-  Part of a larger seating collection
