DIMENSIONS AND WEIGHT

80 x 90 x 147 cm - 23kg/50.7 lbs

PACKAGING

Treated pinewood box, with the piece protected inside using Cell-Aire and foam padding.

MAINTENANCE

It is important that this piece is not exposed to relative humidity above 65%.
It should be cleaned with a cotton cloth at least once a week to remove dirt from the fur. Monthly, vacuum at low power to remove ambient dust. A cloth dampened with water can also be used to wipe the entire surface. For grease stains, consult a professional furrier specialist.
