## LINA TABLE LAMP

The Lina Table Lamp is a piece from the Paysage collection, designed by **Hannes Peer**. This table lamp showcases four hand-textured Murano glass tiles that interlock to form a structural diffuser for the two included dimmable lightbulbs.

Available in three color variations, the Lina Lamp can also be customized to one's desire. The glass tiles create a clean and harmonious aesthetic, while the lamp's timeless design and meticulous craftsmanship make it a statement piece that emanates a warm and magical atmosphere in any room.
