## LINETTA TABLE LAMP

The Linetta Table Lamp, part of the Paysage collection designed by **Hannes Peer**, is a smaller version of the iconic Lina lamp.

As the bigger one, Linetta is made of four hand-textured Murano glass tiles that interlock to form a structural diffuser for the lightbulb. It comes in three colorways and it can be customized in eight colors, offering a personalized touch.

The Linetta Table Lamp adds a touch of enchantment to any space with its warm light reflections, creating a suggestive and immersive ambience.
